What's "Bugging" You?

949 Contentnea Lane, Grifton NC 28530

**East
Carolina
4-H Club**

www.atimeforscience.org

Join with ***A Time For Science*** Nature and Science Learning Center and the *East Carolina 4-H Club* **between 10:00 am and 3:00 pm** as we spend the day exploring the "good, the bad and the ugly" about the many critters we call "bugs". **Hands-on activities** will be available which will allow you to explore many interesting features of insects and other "bug"-like creatures. Listen to the **sounds that ants make**, explore the "good" and "bad" **inhabitants of the organic garden** and learn what it means to be "as **busy as a bee.**" **NOTE:** Please **give notice** of your intention to attend through website registration or by leaving a phone message.

To be part of the 21st century we must make **A TIME FOR SCIENCE** now.
