Take Hwy. 11 South toward Kinston – look for the Pepsi Bottling plant on your right. Immediately past that is Jacksontown Road – turn right onto Jacksontown Rd. Go through 2 closely spaced stop signs. About ¼ mi further, Jacksontown Rd veers sharp to the left – Don't turn, but go straight into Contentnea Creek Estates. About ¼ mi further, you will see a brown house on the right. At that point, slow down, proceed around the curve to the left and immediately turn left into the first driveway. Enter the driveway, proceed past the gardens & park on the left.

Mission: Love A Sea Turtle & A Time For Science want to create awareness for the ocean and its creatures. Our actions on land create reactions in the ocean. Monies raised will be donated to The Karen Beasley Sea Turtle Rescue & Rehabilitation Center in Topsail Island. www.loveaseaturtle.com www.atimeforscience.org
