

a Greater Greenville Community Foundation Charitable Fund
Experiencing Nature - Doing Science - Having Fun

You are invited to come to the Bray Hollow Nature Conservancy to join

A Time for Science

and

*Carolina Skies
Astronomy Club*

for

Summer Solstice 2010

Monday, June 21 starting at about 8:30 pm

Weather and cloud cover permitting.

Please pre-register for this event on-line at

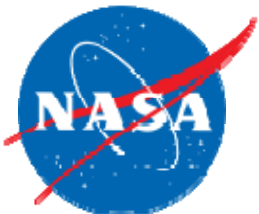

www.atimeforscience.org

or e-mail or call - see below

- ❖ See the Summer Triangle and the Summer Constellations
- ❖ See Venus, Mars and Saturn
- ❖ Telescopes will be available for viewing
- ❖ A tour of the Summer Sky will be presented
- ❖ This is your chance to see and touch a Space Shuttle tire

Come a bit early and watch the setting sun. Compare its position to what you observed three months ago at the Equinox Party. Then see the rising of the Summer Triangle and its three beautiful constellations. See Venus in the evening sky then later see Mars and Saturn and its rings and moons. But most of all

THIS IS YOUR CHANCE TO EXPERIENCE *A TOUCH OF SPACE*

WHILE AT THE *A TIME FOR SCIENCE* CENTER PARTICIPANTS WILL HAVE AN OPPORTUNITY TO SEE, TOUCH, EXPLORE AND EXAMINE THE NOSE-WHEEL TIRE THAT WENT INTO SPACE AND BACK ON THE **SPACE SHUTTLE ENDEAVOUR**, MISSION STS-113. THIS HISTORIC ITEM IS ON LOAN FROM NASA AND THE EASTERN NC REGIONAL SCIENCE CENTER, INC. (DBA GO-SCIENCE).

BRING THE KIDS. BRING THE CAMERA.

To be part of the 21st century we must make **A TIME FOR SCIENCE** now.
