

SATURDAY FAMILY FUN DAYS

A Time for Science is very excited and proud to announce the first of its series entitled **Saturday Family Fun Days** (SFFD) to start on Saturday, June 12 from 9:00 am to 11:00 am.

These are **T.A.C.O.** (Take **A** Child **O**utside) related events and are under the guidance of nature interpreter, Leah Connell. Each **SFFD** (**Saturday Family Fun Day**) will consist of a guided Nature Walk through some portion of the *Bray Hollow Conservancy* followed by participation in one of a variety of Nature Art/Craft activities. The schedule for the remainder of 2010 is as follows.

DATE	TIME	ART/CRAFT
June 12	9:00 am – 11:00 am	Nature Craft for Dad
July 10	9:00 am – 11:00 am	Nature Fan
August 14	9:00 am – 11:00 am	Sundial
September 11	9:00 am – 11:00 am	Leaf-print Shirt
October 9	9:00 am – 11:00 am	Stick Bugs
November 13	Superseded by <i>Pioneer Technology Day</i>	
December 11	9:00 am – 11:00 am	Bird Feeders

The charge for these activities is \$4.00/adult, \$2.00/child (13 and under) with a maximum charge of \$12.00/Family. At least one parent/guardian is expected to attend with each family group.

Due to the size limitations of our facilities, a maximum of only 25 individuals can be accepted for each SFFD. Therefore, it will be necessary to pre-register for each event at least 24 hours in advance by:

- On-line registration through the website (www.atimeforscience.org) or at the link [here](#).
- E-mail atfs@atimeforscience.org
- Phone 252-746-4470 and leave a message

Required Information for Registration:

- Name of contact
- Contact information (i.e., phone number or e-mail address)
- Number of adults and number of children expected to attend

To be a part of the 21st Century, we must make A TIME **FOR** SCIENCE Now!
